

## “No Man Left Behind” breakfast

As we build toward the 10,000+ Mighty Men Movement event at the Save Mart Center on May 5<sup>th</sup>, we’re super excited about announcing the ministries involved in hosting this event. They will be introduced at this breakfast.

You’ll be hearing about the plans that are being put in motion, and frankly, “*for such a time as this*”, we need 10,000+ *men of God* to rise up to take part in bringing this exciting event to fruition. Men, we can lay the groundwork for revival to come, by praying in unity!

We’ll be praying about 4 specific things at this breakfast.

- *Praying and inviting God into our cities.*
- *Praying for holiness and humility for the men of our cities, that they would become God’s men.*
- *Praying for fervent prayer among the churches in our cities, including men in prayer groups, and commitment to the 120 Army.*
- *Praying for unity within communities, across both racial and denominational lines.*

These breakfast will now begin to look and feel a little different. We’ll all have a goal to strive towards now; to gather 10,000+ men as a new, exciting men’s movement. Not to just fill an arena, but to leave a lasting impact on marriages, families, churches and communities through the power of prayer. Leaving a legacy of prayer and transformation for the next generation!

Great amount of prayer for our churches and community will take place. Additionally, a time to pray for the needs of each other is on the agenda as well. This will be a powerful time together.
